Sen. Stamas welcomes Beaver Creek fire chief to Lansing

Lansing – State Sen. Tony Stamas, R-Midland, welcomed Beaver Creek Fire Chief Ed Holtcamp to the state Capitol Tuesday. Holtcamp testified before the Senate Judiciary Committee regarding Senate Bill 1318. Introduced by Stamas, SB 1318 would allow fire departments wishing to donate their surplus equipment to less fortunate fire departments to do so without fear of being held liable. Stamas accompanied Holtcamp, legislative liaison for the Michigan Association of Fire Chiefs, to the committee meeting.
